WAAPA Corporate Training's approach to communication and presentation skills is all about the delivery. The very performance skills that have distinguished WAAPA graduates in theatre, film and television are the foundation of all corporate training programs.

Our Corporate Training offers public enrolment courses, customised programs and personal coaching sessions.

Programs include:

- Effective leadership;
- Building better teams;
- Communicating with confidence; and
- Presentation skills.

The distinguishing feature of all WAAPA Corporate Training programs is dynamic, experiential coursework. The courses allow for real-time practice of essential presentation skills and allow time to reflect on habitual tendencies and remedy distracting communication behaviours.

With more exciting courses in development there has never been a better time to gain your competitive edge with these unique and exciting professional development opportunities.
