

# P&F Fundraising & Community Events

The P&F's major role at St Luke's is organising fundraising and community events for the school. Fundraising events are coordinated to help contribute towards large capital works, programs or facilities that the school would ordinarily have to fund. By providing money raised through our various events, the school is able to complete works, provide facilities and introduce programs at a much earlier time.

In addition to organising fundraising events, the P&F hold non-fundraising community events with the aim of fostering greater school community spirit amongst families and school staff.

For both types of events, parents are asked to volunteer their time to organise and run the various events. Requests for help are communicated via our newsletter and the Class Liaison Representatives. Examples of events organised by the P&F have included a Back to School Family Picnic, Quiz Night, Easter Raffle, Dinner Dance, Football Tipping Competition and School Disco just to name a few! The P&F also hold a School Fete every couple of years.

Over the past few years, funds raised by the P&F have paid for air-conditioning throughout the school;

completion of the ITC lab; the Lexile Book Program; Mathletics Online Math Program and more recently; the refurbishment of the netball courts and installation of playground equipment in the new Pre-Primary area. Smaller contributions made by the P&F have included covering costs for coach transport for the Year 6 camp; Graduation celebration costs; Performing Arts costumes and sporting equipment.

The P&F always welcomes assistance. If you feel that you can help out in any way, please let us know. Please contact your Class Liaison Parent or the main office if you think that you would like to become involved with the Committee or help out at one of the specific events. Any help you can give is greatly appreciated.
